

Please be advised that current garbage contract with Waste Management, at a cost of \$14.00 per month for garbage and recycling services, expires on 10/31/15. The Town bid out a new contract that is set to begin on November 1st. The low bid for the service was Peninsula Oil with a monthly charge of \$14.75 for three years.

At this time, the Town does not require a resident to have trash and/or recycling services, nor is there a requirement to use Peninsula Oil if you do have or want those services. Please feel free to use the contractor of your choice. However, if you do wish to change providers and use Peninsula Oil as of November 1st, you will need to contact them using the information provided below. A main office line and a cell phone number have been provided. Simply state that you wish to sign up as part of the Town of Bridgeville Contract.

Winning Bidder and Town garbage service provider as of 11/1/15:

PENINSULA OIL, INC
40 S. MARKET STREET
SEAFORD, DE 19973
www.callrednow.com

PH- Main: 302.629.3001
Account Representative = Tonya Adams
Cell = 410.422.9406
tonya.adams@callrednow.com

Upon choosing Peninsula Oil, you will also need to contact your current provider to discontinue service as of 10/31. Many of the residents are currently with Waste Management, and that contact information is also provided so that you can inquire about updated pricing or cancel your service.

Waste Management
300 Harvey Drive
Wilmington, De 19804
